ABOUT US

The Akar Group founded in 1984 as an active firm in the textile sector became the first firm to engage in textile commerce with Russia through Trabzon in 1990 following the start of trade relations between Russia and Turkey.

In 1997, opening their showroom in Laleli, İstanbul, the group extended their web of business activities.

In 2007, as a result of their growing marketing practices, the group started their own embroidery design production in Bursa with a strong and experienced personnel behind them.

The Akar Group gives it's customers a high quality service at their showrooms in İstanbul and Russia.

“ THE AKAR GROUP TRADES WITH 30 DIFFERENT COUNTRIES IN EUROPE, MIDDLE-EAST AND CENTRAL ASIA. ”

PHILOSOPHY

Since 1984, Akar Group is committed itself to providing products and services that impress and satisfy customers around the world and to the company constantly creating and presenting new cultures, to contribute to the development of spiritually affluent society.

A

Customer Comes First

Our products and services are strictly oriented towards our customers' needs. We strive for maximizing our customers' benefit and creating added values.

B

Success Through Partnership

As a family owned and managed company, we believe that we can only be successful together, and in close partnership with our customers.

C

Innovation

We distinguish ourselves from our competitors by technology and product process innovations.

VALUES

Quality & Service

We dedicate ourselves to winning the trust of the community through providing high-quality products and prompt and sincere services.

Learning Organisation

We are open for new ideas and we constantly strive for perfection of our products and our organization.

Staff

Our success lies in the hands of each and every staff member. We give our employees a high degree of liberty and we expect in exchange commitment, initiative and creativity.

Performance Counts

Our performance must be better than that of our best competitor. This applies for the Akar Group as a whole and for each individual among us.

Team Orientation

We develop and agree our aims jointly and we pursue them consistently and insistently. Our organisation is based on flat structures, cooperative leadership and team work.

Environment Protection & Sustainability

We are committed to our environment and the future generations. Therefore, we do our best to operate economically, reduce our own consumption of resources and support our customers in their contribution to environment protection by supplying them energy-efficient machinery.

ENVIRONMENTAL PHILOSOPHY

We at Akar Group hereby declare to strictly conform to all laws and regulations regarding the environment, and to accept full responsibility for conserving the global environment as a member of society by promoting administrative policies that take the environment into consideration.
